The reply filed on December 23, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

The amendment format does not comply with the requirements of 37 CFR 1.121. All claims being currently amended in an amendment paper shall be submitted with markings to indicate the changes that have been made relative to the immediate prior version of the claims. Claim 23 includes added subject matter that does not include markings to indicate the changes that have been made relative to the immediate prior version of the claims. See "for neurofibrillary pathology". Claim 31 is presented using the status identifier "currently amended" but the claim has not been amended relative to the prior version of the claim. The claim presented is the prior version of the claim, with no amendments. Applicant is advised to review the claims listing for any additional errors. Appropriate correction is required. See 37 CFR 1.121(c).

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a). In no case may an applicant extend the period for response beyond the six month statutory period. Direct the response to the undersigned.
